CLARISONIC SONIC RADIANCE BRIGHTENING SOLUTION Sonic cleaning icon Clarisonic once again impresses with a new skincare system that systematically combats hyperpigmented skin with a combination of device and formulations. Included in the system are the ARIA™ Cleansing Device with Radiance Brush head and three amazing products (Skin Illuminating AM Cleanser, Skin Renewing Peel Wash, Brightening Activator Serum) that cleanse, brighten and retexturize skin. \$249, clarisonic.com

GLYTONE ENHANCE NIGHT RENEWAL CREAM

Skin renewal happens at night. Capitalize on this natural function by utilizing a super-power product like Glytone's Night Renewal Cream. Formulated with Retinaldehyde, a powerful yet non-irritating form of Vitamin A, this skin-clarifying cream helps to smooth the appearance of deep lines and wrinkles. Plus, Glycolic Acid (5.5% free acid value), allows for superior penetration and provides optimal exfoliation. \$72, dermstore.com

REJUVENATE, REPLENISH AND REVIVE YOUR COMPLEXION

REPLERE RESTORE & FORTIFY BEAUTY SHOOTER Seek beauty from within by getting your daily dose of antioxidants quickly and effectively in drinkable form. Ingredients like Coffea Arabica, acai berries, blueberries, pomegranate, resveratrol, goji berry and camu camu provide a healthy burst of energy while encouraging skin renewal and cell turnover. \$37 for a two-week supply, replere.com

STRIVECTIN TL ADVANCED™ TIGHTENING NECK CREAM Often neglected, the neck area consists of thin skin that is easily susceptible to aging and drooping over time. StriVectin has included an exclusive ingredient, Gravitite-CF Lifting Complex, in this new formula to tighten and lift the delicate neck area and improve resistance to gravity for a more toned, sculpted neck line. \$95, strivectin.com
